Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 26 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$5.52 million that relies on the State's programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #26 modifies the programming of the following existing grouped projects in various counties:

Proj #1: CTIPS ID 230-0000-0160, Grouped Project Listing for Safety Improvements – Safe Routes to School (SRTS) – modifies the delivery schedule of two projects and revises the detailed backup listing of projects. No changes in project costs.

Proj #2: CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction – State Highway Operation and Protection Program (SHOPP) Bridge Preservation Program – increases the total funding by \$184,000 in Federal Fiscal Year (FFY) 17/18 per the CTC approved financial allocation FP-17-34 and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0066, Grouped Projects for Safety Improvements – SHOPP Collision Reduction – increases the total funding by \$3.03 million in FFY 17/18 per the CTC approved financial allocation FP-17-34 and revises the detailed backup listing of projects.

Proj #4: CTIPS ID 230-0000-0069, Grouped Projects for Pavement Resurfacing/Rehabilitation – SHOPP Roadway Preservation – increases the total funding by \$2.31 million in FFY 17/18 per the CTC approved financial allocation FP-17-34 and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

for Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
